

COLLEGE AUDITION INTENSIVE WORKSHOP

*The intensity
of your
preparation
goes a long
way.*

This two week intensive workshop is created for high school juniors and seniors considering the possibility of pursuing Acting or Musical Theatre majors in college.

Candidates will work with professionals in their field polishing monologues, and vocal music selections just in time for the UNIFIEDS.

The workshop will conclude with an audition in front of a panel of theatre professional and college educators who will provide feed back on the candidates audition to better prepare them for college auditions.
